of the late James K. Stewart, in a will probated here today. Joan Stewart, to whom was left \$1,000,000 of the \$7,000,000 estate of her father, founder of the Stewart-Warner Speedometer Company, died October 19.

PLAN TO HONOR ROOSEVELT BY TREE PLANTING

Ohio Federation Takes Steps to Make October 27 Memorial For Ex-President.

In order to mark the birthday every year of Theodore Roosevelt, which comes tomorrow, the Ohio Federation of Women's Clubs today took up plans, urged by the American Forestry Association of Washington, calling upon the nation to make October 27 a national tree care and tree planting day.

Telegrams informing them of the action of the Ohio federation were sent to Mrs. Warren G. Harding, Theodore Roosevelt, Assistant Secretary of the Navy, Mrs. Nicholas Longworth and Mrs. Theodore Roosevelt at Oyster Bay. Edmund Secret, of the experiment station at Wooster, Ohio, will speak on the "Forests of Ohio." Special programs in the schools of the country in honor of the former President and dedication of trees to his memory are two of the points in the resolution which was introduced by Mrs. Lyle S. Evans, of Chillicothe, chairman of the committee on conservation. The American Forestry Association is asking every State federation to take up the national Roosevelt tree day.

KIDNAPED BOY FOUND

AFTER 8 DAYS IN SWAMP

PHILADELPHIA, Oct. 26.—Carl Frye Carlin, three years old, was restored to his foster parents in Camden today, after he had been abandoned in a Delaware county swamp by a man who had led him about for eight days.

This man, it is thought, was a beggar who stole the child as he played with a kiddie car near his home. His object in the kidnaping apparently was to use the little boy to bolster up the hard luck story with which he solicited alms.

The lad, who is the adopted son of Mr. and Mrs. William Carlin, was found by school children as he struggled out of a swamp near Boothwyn, five miles from Chester, suffering from a bad cold, from neglect, dirt and weariness.

ALDERMEN OF ALEXANDRIA LET FIRE CHIEF STAY

Board Also Fails to Take Action on Election of School Board Members.

ALEXANDRIA, Va., Oct. 26.—The board of aldermen for the second time last evening declined to select a chief of the fire department and four members of the school board. The common council notified the aldermen they were ready to go into a joint session at the meeting last evening for the purpose of electing these officers, but the aldermen refused to go into joint session. As the result of this Fire Chief McDermott who was elected to fill the unexpired term of K. W. Ogden, who resigned, will hold over. The four members of the school board, C. E. Tenneson, S. H. Lunt, R. M. Colvin and T. C. Perry also will hold over until their successors are elected. The resignation of Jerome Kaufman as a member of the common council from the second ward was received and accepted.

Albert Lee, was taken with a hemorrhage while standing at the corner of Cameron and Washington street yesterday afternoon. He was taken to the Alexandria Hospital, but died before reaching there. His body was taken to Wheatley's chapel and his funeral will be held tomorrow afternoon at 3 o'clock.

At the First Baptist Church this evening W. J. Kendrick of the Layman's Missionary Movement, will deliver a lecture for men. The members of the Baraca Bible Class will attend in a body.

About forty members of Old Dominion Commandery, No. 11, Knights Templar, this afternoon went to Richmond to attend the annual meeting of the grand commandery of Virginia. The delegation was headed by Chester A. Gwinn county grand commander.

A meeting of the Woman's Society of the Methodist Episcopal Church South, was held this afternoon in the Sunday School room of the church. Addresses were delivered by Mrs. T. E. Morton, a returned missionary and by Miss Lochie Rankin, a missionary to China.

What John Wanamaker Thinks of Dr. Rader:---
"Worth going hundred miles to hear."

DR. LYLE M. RADER.

TELEGRAM

Philadelphia.
Oct. 25, 1921.

Hon. John E. Milholland
Chairman Executive Committee
Society for the Study of Prophetic Scripture and Science.

Hotel Lafayette, Wash., D. C.

The large Keith's Theater of this city was crowded daily for week by business men at the noon hour to hear Dr. Lyell Rader. He is a man of power with a message. I congratulate you on having secured him. Men say his lecture on garbage is worth going a hundred miles to hear. Regret other engagements prevent my coming to Washington.

JOHN WANAMAKER.

Dr. Rader speaks at Keith's Theater 12 o'clock each day—and at New York Ave. Presbyterian Church at 8 o'clock each night, and beginning today, Dr. Rader will be at the Lafayette Hotel from 3-5:30 every afternoon to meet enquirers, particularly students and scientists. Enroll there and obtain literature.

Speaking at yesterday's meeting at Keith's Theater,

WILLIAM JENNINGS BRYAN said:

"Dr. Rader's science (chemistry) will be our strongest ally in the rescuing of science from materialism."

Dr. Freeman, Rector, Epiphany Church, said:

"I welcome Dr. Rader in the name of the church and civilization itself."
